

LUBRICANTS

Tire Mounting Lubricant

Mount & Demount

Aids in mounting and demounting all automotive, truck, farm and construction equipment tires. T&L's Tire Mounting Lube is available in concentrated or ready to use blends.

Reduces bead damage

With its unique lubricating action T&L's Tire Mounting Lube will protect the tire from bead damage. Once the tire bead is seated, it quickly dries to prevent the tire from slipping on the rim and throwing the tire out of balance.

- Free of silicones, soaps or petroleum products
- Biodegradable and environmentally friendly
- Will not leave a messy residue
- No voc's
